# WELCOME

Welcome to our Sixth Annual Bull Sale at Elston Lone Tree Ranch.  
You may come preview bulls at ELTR anytime.

We are committed to using proven genetics with an emphasis on consistency with this set of 2- year old bulls being top-notch!

Our cows work for us. We raise problem free cattle that have the longevity, fertility, feeding ability, and carcass traits that keep us all profitable. We want our customers to succeed. We use a short 45-day breeding season as well as finish half our bull crop as fattened steers; this helps us put the selection pressure to work.

Our bulls are non-creep fed and turned out on pasture as yearlings. In the fall, the bulls are put on a 44 mega/call ration which we believe allows them to develop soundness and longevity.

We appreciate all our past customers and those who have shown interest in our program. Again, we invite you to come to our ranch on Thursday, February 20th and check out this exceptional offering! We will be serving a CAB smoked brisket dinner, so bring your appetite!

*Feel free to contact us anytime with questions and our cattle are always available to view prior to the sale.*

Sincerely,  
Wes and Michele Elston
